

Bryan Dental Care - Fall Baby Food Drive

The staff of Bryan Dental is organizing a baby food drive, October 16th-19th at their offices at 48 Maple Ave, Shrewsbury to benefit the [Massachusetts Children's Fund](#)

Our goal is to collect 1000 jars of food, so drop by with a jar, or better still, a case, from 8AM-5PM.

Thousands of children right here in Worcester County are in desperate need of donations of baby food.

Surprisingly, neither W.I.C., nor Food Stamps, provide for baby food for those in need, only formula and dry cereal. Most food banks won't accept food in glass jars, and so many children live their lives never seeing the healthy diet that only Baby Food provides.

The need is incredible, and YOU can make the difference

Looking other ways to help? Want to donate online?
